## **About Me:**

---

A persevering, adaptive and motivated undergraduate studying at the University of Southampton prepared to take on a diverse range of tasks with a committed and dedicated mindset. I am hard to bore and can remain calm and collective during even the most stressful moments, holding a 'never give up' attitude to any situation.

## **Education:**

---

- **University of Southampton:**
  - Undergraduate currently studying Geography (BA)
- **Kingham Hill School:**
  - **A-levels:**
    - Geography (Edexcel) - A\*
    - Economics (Eduqas (WJEC)) - A
    - Biology (AQA) - B
    - EPQ (Edexcel) - A\*
  - **GCSEs:**
    - 14 GCSEs ranging from 6-9 (and a single B)

## **Qualifications**

---

- DofE Gold
- IQL First Aid Qualification
- IQL National Pool Lifeguard Qualification
- Edx online professional certificates (x4) from the programme: Computing in Python by Georgia Institute of Technology
- Trueways Level 3 Advanced Woodland Survival Course

## **Achievements**

---

- Became the captain of Kingham Hill School swim squad
- Learning the names and locations of every single country in the world
- Present my Greens challenge presentation in year 9, about the cosmos, and my EPQ in year 13, about GMOs
- Making my own website using code

## **Skills**

- 
- Intermediate knowledge in programming languages such as Python and JavaScript and web development
  - Mapping and data analysis skills using GIS
  - Ability to independently research a chosen topic and write a well structured article with proper referencing
  - Ability to present my findings in front of an audience

## **Employment:**

---

- **Part-time lifeguard at Kingham Hill School (OX7 6TH):**
  - Used critical life-saving skills, including first aid and pool work, to ensure the safety of pool users.

## **Hobbies and interests:**

---
